

Calakmul & Balamkú

Tour Description:

In the morning you are, according to your situation, picked up from your hotel, the bus station or the airport in Campeche and taken to the hidden archaeological site of Calakmul. Deep in the jungles these beautiful ruins are off the beaten path and at one point were a major center of Maya power. Explore the numerous tombs, courtyards, temples and ballcourts of this magnificent site. Afterwards, continue to Balamkú which is much smaller than Calakmul, but no less fascinating. The original red paint used on many of the buildings and murals is still visible and the intricate decorations are very well preserved. After a tour of this site you are depending on the rest of your vacation, brought to your hotel, the bus station or the airport in Campeche.
