

City Tour Campeche

Tour Description:

In the morning you are, according to your situation, picked up from your hotel, the bus station or the airport in Merida and taken to Campeche, a cozy little fishing village 180 km south of Mérida. In 1999, the historical center was beautifully restored and it is now a UNESCO World Heritage Site. The colonial center is immaculate with its lively plazas, cobblestone streets and delightful pastel colored houses. The idyllic seaside promenade is also quite beautiful and you can watch the sunset in the evenings. Enjoy the atmosphere of this outstanding Mexican city while you explore the Parque Principal, the main plaza of the city, and the magnificent Catedral de la Concepción Inmaculada, the floor of which is made of black marble. After the city tour, you will return to Mérida. Depending on the rest of your vacation, you are brought to your hotel, the airport or the bus terminal.
