

# Laguna de Terminos

## Tour Description:

In the morning you are, according to your situation, picked up from your hotel, the bus station or the airport in Campeche and taken to the Isla del Carmen where you will have a quick tour of Ciudad de Carmen which is one of the most important port cities in Mexico. Between the island and the mainland is the beautiful Laguna de Terminos which is one of the largest in Mexico and served as a hideout for the many pirates once found in the region. Here you can explore the lagoon on a boat ride and observe the playful dolphins. If you are lucky you can even swim with them. After the boat tour you are taken to one of the beautiful beaches on Turtle Bay where you will enjoy a delicious lunch. Relax on the beach and take a refreshing dip in the warm waters of the lagoon before returning to Campeche where depending on the rest of your vacation you are brought to your hotel, the bust station or the airport.
